

Cooperation Agreement
between
the Arab Federation of Chambers of Shipping and
the State Maritime Administration of the Republic of Azerbaijan

By the virtue of the brotherly ties between the Arab Federation of Chambers of Shipping and the State Maritime Administration of the Republic of Azerbaijan show the intention of achieving the following objectives:

- To cooperate in the field of training and interchanging information related to the operation and management of both parties Arab Federation of Chambers of Shipping and the State Maritime Administration of the Republic of Azerbaijan.
- To establish better bases of cooperation in the maritime transport operations between both parties.
- To contribute to the development of the commercial and economic relationships for the mutual benefit of the two parties.
- To exchange experience between the two parties including Egypt and States re-presented in the Arab Federation of Shipping Chambers ports and Baku Sea Trade International port.

Taking into account the above mentioned objectives and for the purpose of their achievement, both parties agree:

- To exert efforts in order to facilitate any obstacle facing the other party.
- To exchange experience and visits between the two parties and to coordinate between them the adaptation of a unified stand towards the resolution issued by international conferences on maritime transport.

- To promote the technical cooperation between the two parties through the training of technical and administrative personnel in the appropriate training institutes or organizations.
- To promote signing of bilateral Agreements on merchant shipping between Azerbaijan and States re-presented in the Arab Federation of Shipping Chambers by their respective national authorities;
- To negotiate and sign bilateral Agreements between Azerbaijan and States re-presented in the Arab Federation of Shipping Chambers by their respective national authorities on recognition of training and certification as provided by the STCW Convention, in order to further promulgate exchange of maritime labor force between the Parties

The achievements and fulfillments of the proposed objectives will take place though specific agreements for each action, which will be defined by a team formed by both entities that will coordinate the actions and establish the objectives and programs of development of each case.

In order to achieve that, the following document is signed in the city of Baku on 06 September 2007 in two originals in English.

Arab Federation
of Chambers of Shipping

State Maritime Administration
of the Republic of Azerbaijan
