Strengthening Global Shipping: The FONASBA & AFCS Partnership

•**This** is about the strategic collaboration between FONASBA, the international voice of ship agents and brokers, and AFCS, representing freight forwarding and custom brokers across Africa. This partnership fosters industry excellence and promotes best practices globally.

Areas of Cooperation

- Development and harmonization of operational policies
- **Observer status within both organizations**
- **Promotion of industry best practices**
- **Ongoing consultation and communication**

Elevating Professional Standards

- FONASBA supports high professional standards
- for agents and brokers.
- Collaboration with AFCS to promote these
- standards at national & regional levels.
- Leverage of FONASBA's website and publications.
- AFCS granted access to FONASBA members area. A core mission of both organizations is raising the bar within the shipping industry.

Commitment to Best Practices

- AFCS sends representation to FONASBAmeetings.
- AFCS encourages members to adopt the FONASBA
 - 。Code of Conduct.
- Promotion of FONASBA Quality Standard, training, and
 educational initiatives.

Active participation by AFCS in FONASBA meetings is vital to this partnership – it enhances knowledge-sharing and strengthens decision-making for the global shipping industry. By championing the FONASBA Code of Conduct and endorsing its training programs, AFCS solidifies its commitment to operating by the highest industry standards

The Benefits of Partnership

- Stronger, more unified voice for the industry
- Improved efficiency and competitiveness
- Enhanced professional development opportunities
- Greater cooperation across borders

The impact of the FONASBA-AFCS partnership extends far beyond their memberships. They become a more significant force together, advocating for the shipping industry on a global level. Shared standards and training lead to efficiency, making African shipping more competitive within the global market
